CILJEVI PROJEKTA:

- Uvođenje zdravih prehrambenih navika kod djece
- Poticanje životno-praktičnih aktivnosti koje doprinose očuvanju zdravlja
- Učenje novih spoznaja vezanih za zdravu hranu, namirnice i njihovo korištenje u svakodnevom životu
- Upoznavanje djece s utjecajem hrane na zdravlje i poticanje na što odgovorniji odnos prema sebi i svome tijelu
