An aerial photograph of a serene rural landscape. In the foreground, a calm lake is surrounded by dense green trees. To the left of the lake, a small cluster of houses with red and grey roofs is nestled among green fields. A dirt path winds through the fields. In the background, more fields and a larger town are visible under a clear sky. The text is overlaid in the center of the image.

Jezero tiho v jutru spi,
sonce po gladini zariše poti.
Veter mu šepeta stare skrivnosti,
v vodi se zrcalijo sanje in radosti.

A wide-angle landscape photograph showing a calm body of water in the foreground. The water is a deep blue, reflecting the sky and the surrounding trees. On the right side, there is a dense line of trees with vibrant yellow and green foliage, likely in autumn. The background features a range of mountains under a clear blue sky with a few scattered white clouds. The overall scene is peaceful and scenic.

**Voda je ogledalo, ki odseva nebo. Sonce in oblaki-
nato spodaj sence.**

A woolly mammoth with large tusks is positioned on the left side of the frame, looking out over a modern landscape. The landscape features a winding river, lush green fields, a dense forest, and a small town with many houses. In the background, there are rolling hills and mountains under a clear sky. The text "HVALA ZA POZORNOST!" is overlaid in the upper center of the image.

HVALA ZA POZORNOST!
