sadimo

25.4.25

s cimetom nad mravlje
začetek maja 25

27.5.25

Sadili lipo, maj 25

August 25

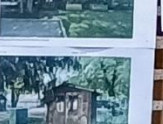

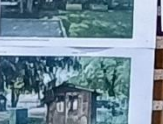

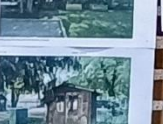

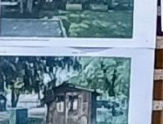

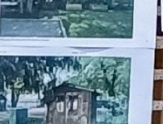

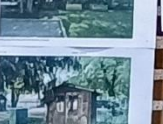

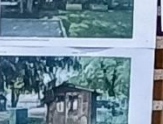

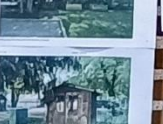

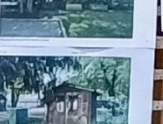

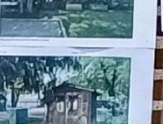

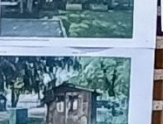

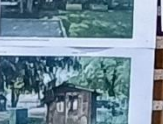

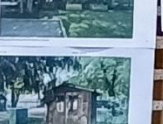

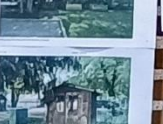

Sejem Narava-zdravje 2025

PROGRAM EKOŠOLA

OŠ Poljane

ŠOLSKI VRT

VRTNA KREŠA

Kali v parih dneh.

Porezali in postregli smo jo
poleg krekerjev in sira.

Posadili smo tudi fižol v
steklene kozarce, da se vidi
razvoj rastline.

Sejali v februarju 2026
Izzivi: hladnejši prostor, ko vzkali,
količina svetlobe
